Comments: (If possible, please reference section number and/or page number in document if applicable.)

1 Your notice of hearings was inadequate  
and disappointing.

2 Until you can safely store all wastes at  
their source, i.e. the reactors, you should  
not produce any such wastes. To do  
so you should immediately erect a  
moratorium on nuclear energy production.

3 Please focus all your funding and research  
on alternative, decentralized sources  
of energy generation i.e., solar, geothermal  
biomass, cogeneration and energy efficiency.

4 The shipment of waste cross-country should not be performed.

5 Leave the wastes where they were generated and entomb the

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible; then secure with tape.

Thank you  
Sincerely
